

We're in this Together

Our world has changed. The health and well-being of our Senior Living clients and communities is paramount. In an attempt to help with the growing concerns, we would like to inform Senior Living leaders and communities that we have both the culinary and logistic capabilities to deliver full meal solutions to your community. Regardless of individual supply chain or staffing challenges that you may be experiencing, we have your back to keep your employees and residents safe.

The Program

- Nutritious & delicious meals for Breakfast, Lunch & Dinner
- Direct refrigerated and QA approved delivery to individual communities
- Dietician Tested and Aligned with all ministry and sector specific guidelines
- All modified diets accommodated, inclusive of texture modified, and allergies
- Full nutritional and allergy information labeled with each meal
- Simple ordering process

Program capabilities may vary depending on community location, volume needed and desired turnaround time.
