

Attention Patients

If you have a fever and/or new onset of cough or difficulty breathing

AND

In the 14 days before symptom onset, you have:

- been to a COVID-19 impacted area, **or**
- you have been in close contact with a confirmed or probable case of COVID-19, **or**
- you have been in close contact with a person with acute respiratory illness who has been to a COVID-19 impacted area,

report immediately to triage or reception.
